

Jurying Form: The Gifted Hand

There is a one-time jury process for this show. Once juried in, you need not jury again when applying in future years. Work is juried on uniqueness & artistic creativity, quality of workmanship & whether it fits in with the overall tone of the show. We also like to know what your booth set-up looks like, as your set-up reflects upon the show as a whole. Please note that we must limit the number of artisans in each category, ie. jewelers, fiber artists etc. to insure variety at the show and optimal sales outcomes for participating artists. For this reason, there are 3 possible jury outcomes:

1. Juried in and also included in this year's show.
2. Juried in, but wait listed for this year's show, with no need to jury again when applying next year.
3. Not juried in. Your work or set-up is not compatible with the show at this time.

Please fill out the following form to be juried into the show. Include with your show application.

Jury form deadline is April 15th. Jury results will be given no later than April 30th.

**** Please enclose a separate nonrefundable jurying fee of \$20.00 with this application,** in the form of a cheque made out to Christina Heiniger.** Please note: Jury fee is nonrefundable regardless of the jury outcome.
